

Arjun Chatterjee, MD

Email: arjunchatterjeeembbs@gmail.com/chattea2@ccf.org

Twitter: @Chatterjee_MD

Career Objective: Become a contributor in the field of Gastroenterology/Pancreatology

Medical Education and Research Experience

2024-2027	Gastroenterology & Hepatology Fellowship, Cleveland Clinic Foundation, Cleveland, OH, USA
2025-2027	Master of Science in Clinical Research, Case Western Reserve University, Cleveland, OH, USA
2021-2024	Internal Medicine Residency, Cleveland Clinic Foundation, Cleveland, OH, USA
2020-2021	Research Fellow, Division of Gastroenterology & Hepatology at Mayo Clinic, Rochester, MN
2013-2019	M.B.B.S. at Calcutta National Medical College, India (Medical School Diploma 02/2020)

Honors and Awards

-
- William E. Lower Award – Clinical, Cleveland Clinic Educational Foundation, 2026
 - Collaborative Alliance for Pancreatic Education and Research (CAPER) Pancreas Scholar, 2024 – 26
 - Selected for CAPER/NPF 2025 Visiting Fellows for adult pancreas rotation at University of Pittsburgh, 2025
 - Travel Scholarship, CAPER PancreasFest 2023, 2025, 2026
 - Travel Scholarship, National Pancreas Foundation Fellows Symposium (NPF), 2024, 2025, 2026
 - ACG Presidential Poster Awards, 2022, 2024
 - Cleveland Clinic Internal Medicine Research Competition Award Winner, 2024
 - ACG Social Media Acumen Award, #EBGI Social Media Ambassador, 2023-2026
 - ACG Case Reports Journal Reviewer Recognition, 2024
 - Travel Scholarship, Innovations in Management of Pancreatic Conditions and Therapies (IMPACT), 2022-25
 - Nominated for Senior of the Month (09/22) & Awarded Ambulatory Intern of the Month (05/22)
 - Selected for Clinical Scholar Research Program (CLINCSHOP), Cleveland Clinic Foundation, Sept 2022
 - Scored Highest in Final Year MBBS Exam (1st/150), Calcutta National Medical College, 2018-19
 - State Highest in Pharmacology (1st/2000), and Gold Medalist in Biochemistry (1st/150)
 - Honors in Physiology, Biochemistry, Pharmacology, Pathology and Microbiology, Calcutta National Medical College
 - Ranked 5th in an Online All India MediQuiz (5th/1000) organized by Jaypee Brothers, 2017

Leadership

-
- Editor in chief – American College of Gastroenterology (ACG) Case Reports Journal, July 2026-June 2027
 - Associate Editor – American College of Gastroenterology (ACG) Case Reports Journal, July 2025-June 2026
 - American College of Gastroenterology Evidence-Based Gastroenterology (EBGI) Ambassador, January 2023-
 - House Staff Association Officer, Education Committee, Cleveland Clinic Foundation, July 2022 – June 2023
 - Class assistant– Department of Biochemistry (2013-14), Pharmacology, Microbiology and Pathology (2014-16)

Grants

-
- Racial Disparities in Aborted Colonoscopy Procedures: A Retrospective Cohort Study Using GIQuIC Registry Data, DDI Chief's Innovation and Research Award, Cleveland Clinic Foundation, March 2026 – \$9,500

- **Barriers to Gastrointestinal Procedures: A Study on Last-Minute Cancellations and No-Shows**, DDI Chief's Innovation and Research Award, Cleveland Clinic Foundation, March 2025 – \$7,500
- **POCUS: Developing Point-of-Care Ultrasound Curricula Across Disciplines**, Education Institute grant, Cleveland Clinic Foundation, December 2022 – \$14,495
- **Medical Education Podcast**, Education Institute grant, Cleveland Clinic Foundation, December 2022 – \$17,400

Professional Memberships

-
- | | |
|---|--|
| • American Society for Gastrointestinal Endoscopy, 2023 - | • American Pancreatic Association, 2022- |
| • American College of Gastroenterology, 2022- | • Ohio Gastroenterology Society, 2022- |
| • American Gastroenterological Association, 2022- | • American College of Physicians, 2021- |

Speaker/Organizer/Moderated Sessions

-
- **Speaker – Internal Medicine Grand Rounds – “Primer on Gastrointestinal Bleeding”**, Cleveland Clinic Fairview Hospital, 13th August 2026
 - **Speaker – Cleveland Clinic Primary Care Institute Grand Rounds – “Approach to Exocrine Pancreatic Insufficiency and Pancreatic Cystic Lesions”**, Cleveland Clinic Foundation, 12th August 2026
 - **Speaker – National Pancreas Foundation APP Educational Event – “Practical Approaches to Diagnosing and Managing Fatty Pancreas and Exocrine Pancreas Insufficiency”**, 6th August 2026
 - **Speaker – Cleveland Clinic Primary Care Institute Grand Rounds – “Fatty Pancreas Disease”**, Cleveland Clinic Foundation, 5th August 2026
 - **Moderator – CAPER PancreasFest 2026 Meeting – “Debate: Should Pancreatic Cyst Fluid Analysis Be Performed Prior to Surgery When One Worrisome Finding is Present?”**, June 23-24, 2026; Minneapolis, Minnesota
 - **Speaker – Cleveland Clinic Critical Care Fellowship Education Day – “Management of *Clostridium difficile* infection”**, Cleveland Clinic Foundation, 8th January 2025, 11th March 2026
 - **Speaker – Internal Medicine Grand Rounds – “All things Pancreas”**, Cleveland Clinic Foundation, 17th September 2025
 - **Speaker – ASGE Advanced Endoscopy Fellows Course – “Endoscopic Retrieval of a migrated plastic pigtail stent in a patient with gastric bypass surgery using novel endoscopic cutting device”**, ASGE IT&T Center, 13th September 2025
 - **Speaker – Internal Medicine Grand Rounds – “Acute pancreatitis and Pancreatic disorders”**, Cleveland Clinic Fairview Hospital, 8th September 2025
 - **Speaker – Hospital Medicine Grand Rounds – “In patient evaluation and management of Acute Pancreatitis”**, Cleveland Clinic Foundation, 17th June 2025
 - **Speaker – Case presentations on Cryoglobulinemia – at North East Ohio Liver Alliance (NEOLA) in person meeting**, Cleveland, Ohio, 14th May 2025
 - **Speaker – Internal Medicine Mini Grand Rounds – “Pancreatitis”**, Cleveland Clinic Foundation, 15th August 2024
 - **Speaker – 2024 GI Endoscopy Citywide Rounds**, Cleveland Clinic Digestive Disease Institute, 31st January 2024
 - **Panelist – The IMG's Guide to Effective Case Reports**, American Medical Women's Association, 2nd July 2023
 - **Speaker – Acculturation session for International Medical Graduates (Intern Orientation)**, Cleveland Clinic Foundation, June 2022-2024
 - **Speaker – Internal Medicine Mini Grand Rounds – “All Things Pancreas” – (Mentor: Dr. Prabhleen Chahal, MD)**, Cleveland Clinic Foundation, 17th April 2022
 - **Speaker – Cleveland Clinic Primary Care Institute Grand Rounds – “Nausea and Vomiting” – (Mentor: Dr. Kenneth Koncilja, MD)**, Cleveland Clinic Foundation, 25th January 2023
 - **Speaker – Food for Cultural Education Event (India)**, Cleveland Clinic Foundation, December 2022
 - **Speaker – Case presentations on Liver transplantation in Alcoholic cirrhosis – at North East Ohio Liver Alliance (NEOLA) online meeting**, Cleveland, Ohio, November 2022
 - **Speaker – Bariatric endoscopic procedures in the management of obesity**, Gastroenterology interest group, Cleveland Clinic Foundation, August 2022
 - **Speaker – Intern Case Conference – Transient Right Ventricular Failure from Intravenous Injection of Methylphenidate Tablets**, Cleveland Clinic Foundation, February 2022

- Chief Organizer of a seminar on Heart Sounds – “Decoding the Beats” – Calcutta National Medical College, June 2017
- Chief Organizer of a seminar on Asthma – Calcutta National Medical College, Kolkata, March 2015

Volunteer Activities

- Volunteered at Langston Hughes Clinic, Women’s health and preventative screening, Jan 2022 – June 2024
- Honorary Teacher at Ek Prayas NGO, provided education to 35 underprivileged children, Kolkata 700017, 2015–2016
- Volunteered at Blood Donation Camp – Khanpur Friends’ Circle, Kolkata, February 2017
- Volunteered at Comprehensive Eye Checkup Camp – Yatrik Club, Kolkata, April 2017

Clinical experiences in the United States of America (prior to residency)

- MICU Acting Internship Elective at Cleveland Clinic, Cleveland, Ohio, October 2019
- Nephrology Consults Elective at Thomas Jefferson University, Philadelphia, Pennsylvania, March 2018
- Nephrology Consults Elective at University of Alabama, Birmingham, Alabama, June 2018
- Diagnostic Radiology Elective at University of Massachusetts, Worcester, Massachusetts, April 2018

Interests and Hobbies

- Using Medical Twitter (#MedEd, #GITwitter) for sharing educational content – @Chatterjee_MD
- Vlogging my medical journey on YouTube – youtube.com/c/ArjunChatterjee
- Content creator and admin at “Curious Cranium” – facebook.com/thecuriouscranium
- Writing blogs about USMLE preparation at theindianmedicalstudent.com
- Mentoring – mentored over 30+ international medical students throughout their US residency application process
- Website development, videography, graphic design, and video editing
- Watching Soccer – English Premier League, Champions League
- Listening to a variety of music – EDM, Indian Hindi, and Bengali classics

Personal Details

Languages Known	English, Hindi, Bengali
Current Residence	Cleveland, OH, USA
Nationality	Indian

Oral Presentations at Regional/National Meetings [last updated 8/23/2026]

1. **Chatterjee A**, Allaoa A, Tu C, Prado R, Ifthikar Z, Kaul R, Jalamneh B, Coppa C, Tout A, Stevens T, Chahal P, Mohiuddin S, Abu-El-Haija M, Association of pancreatic fat on imaging with adult metabolic co-morbidities. Presented at the Collaborative Alliance for Pancreatic Education and Research's (CAPER) PancreasFest 2026 Meeting; June 23-24, 2026; Minneapolis, Minnesota. **[Selected as one of the Best Scholar Abstracts]**
2. **Chatterjee A**, Kaul R, Prado R, et al. Predictors of fecal elastase testing completion in outpatient and inpatient settings: a single-center retrospective analysis. Presented at: 58th Joint Meeting of the European Pancreatic Club (EPC) and International Association of Pancreatology (IAP); June 24-27, 2026; Istanbul, Türkiye.
3. Prado R, **Chatterjee A**, Kaul R, et al. Predicting last-minute outpatient endoscopic procedure cancellations across academic and community endoscopic center: A logistic regression model to identify high-risk patients. *Gastrointest Endosc*. 2026;103(suppl). Abstract 1267. doi:10.1016/S0016-5107(26)05467-2 **[ASGE Presential Plenary; and Oral presentation]**
4. Naseem Z, Kaul R, Prado R, **Chatterjee A**, et al. Performance of video capsule endoscopy in patients with surgically altered gastrointestinal anatomy. *Gastrointest Endosc*. 2026;103(suppl). Abstract 1118. doi:10.1016/S0016-5107(26)05672-5 **[Oral presentation]**
5. Ahmad AI, Ansari Z, Jamal Al-Din T, Almomani A, Nicolas MA, Miller A, Valencia S, **Chatterjee A**, et al. Randomized controlled trial of holding versus continuing GLP-1 or GIP agonists before upper endoscopy (OCULUS trial). *Am J Gastroenterol*. 2025;120(suppl). Abstract S1258. doi:10.14309/01.ajg.0001132492.92282.b4 **[ACG Outstanding Research Award in the General Endoscopy Category (Trainee); and ACG Presidential Poster Award]**

6. Cymbal M, Prado R, Sierra L, **Chatterjee A**, et al. Outcomes of conversion of sleeve gastrectomy to Roux-en-Y gastric bypass for the treatment of GERD. *Gastroenterology*. 2025;169(suppl). Abstract 438. doi:10.1016/S0016-5085(25)05323-5 [Oral presentation]
7. Naseem Z, Aitharaju V, Muhammad A, **Chatterjee A**, et al. Outcomes in patients with type 2 diabetes with MASH and MASLD: A comparison between bariatric surgery and GLP-1 agonists. *Gastroenterology*. 2025;169(suppl). Abstract 599. doi:10.1016/S0016-5085(25)05343-0 [Oral presentation]
8. **Chatterjee A**, Sierra L, Prado R, et al. Novel device system for transoral outlet reduction. *Gastroenterology*. 2025;169(suppl). Abstract 315. doi:10.1016/S0016-5085(25)05300-4 [Oral presentation]
9. **Chatterjee A**, Prado R, Kaul R, Coppa C, Tout A, Stevens T, Chahal P, Mohiuddin S, Abu-El-Haija M, Association of pancreatic fat on imaging with adult metabolic co-morbidities. Presented at the Collaborative Alliance for Pancreatic Education and Research's (CAPER) PancreasFest 2025 Meeting; June 24-25, 2025; Pittsburgh, Pennsylvania. [Selected as one of the Best Scholar Abstracts]
10. **Chatterjee A**, Singh A, Thomas RJ, Ford A, et al. Non-alcoholic fatty pancreas disease (NAFPD) outcomes: Not as benign as it seems. Presented at the Cleveland Clinic Medicine Grand Rounds; 5.16.2024; Cleveland, Ohio [Cleveland Clinic Internal Medicine Research Competition Award Winner]
11. Chittajallu V, **Chatterjee A**, Perez J, Chahal P. 10 Year outcomes of smoking cessation attempts in reducing low bone density disease in chronic pancreatitis. *Gastroenterology*. 2023;164(suppl). Abstract 619. doi:10.1016/S0016-5085(23)01248-9. [Oral presentation]
12. Majumder S, Graham RP, Taylor WR, Gochanour BR, Mahoney DW, Foote WR, Cao X, Berger CK, O'Connell MC, Then SS, **Chatterjee A**, Sarwal D, Gonser AM, Doering KA, Burger KN, Petersen GM, Kiesel JB, McWilliams WR. Tissue DNA methylation profile of synchronous and metachronous pancreatic ductal adenocarcinoma. Presented at: American Pancreatic Association Annual Scientific Meeting; November 3-6, 2022; Orlando, FL. *Pancreas*. 2022;51(7):836-903. doi:10.1097/MPA.0000000000002116 [Oral presentation]
13. Nasser J, **Chatterjee A**, Chahal P. Creating your own paths: EUS-guided transjejunal gallbladder drainage and ERCP, cholecystoscopy, and electrohydraulic lithotripsy for choledocholithiasis and cholelithiasis in a patient with Roux-en-Y gastric bypass. Presented at: American College of Gastroenterology Annual Scientific Meeting; 2022; Charlotte, NC. (First Place in the Endoscopy Video Forum)
14. **Chatterjee A**, Ford A, Alkhayat M, Brateanu A. Outcomes in patients with bacterial infections who received intravenous iron: A US based population study. Presented at: American College of Physicians Ohio Chapter Annual Scientific Meeting; 2022; Columbus, OH. [Oral presentation]
